### ***Top 10 Reasons to stay at Our-Beach on St. Augustine Beach***

St. Augustine, FL - The historic St. Francis Inn continues to make a splash with tourists because of its four properties on award-winning St. Augustine Beach. The Inn (circa 1791) is located in the historic district of St. Augustine but the four beach properties give their Inn guests an opportunity to enjoy one of "TripAdvisor's Traveler's Choice Top 25 Beaches in the USA" (St. Augustine ranked #9).

St. Augustine Beach, the only Florida East Coast beach to receive the award in 2015, receives accolades like one reviewer's comments "It is quiet and peaceful, like a 1960 beach town. The beach is wide, with white sand and one of the best beaches around".

St. Francis Inn owner Joe Finnegan created four vacation beach properties for his Inn guests to enjoy and have the best of both worlds: Historic Downtown St. Augustine AND easy access to one of the nation's Top 10 Beaches for NO additional cost:

Guests of St. Francis Inn have the free amenity of a BEACH AFTERNOON, enjoying:  
Free off-beach parking (no sand or salt on/in your car) a few steps from the beach  
Access to a full bathroom with hot shower  
Beach chairs, towels, bicycles, cold bottled water, suntan lotion
